SCHOOL MANAGEMENT: TERM 1, ACADEMIC YEAR 2023/2024 BEGINS ON 11<sup>th</sup> SEPTEMBER 2023

TO OUR EDUCATORS, PARENTS AND GUARDIANS! (2023- 2024) 14<sup>th</sup> June 2023

MMSC new academic year calendar, We shall no longer have Saturday program so every activity will be done within the week from Monday to Friday including Clubs, academic workshops ,home works /assignments and extra activities like sports . (from sept 2023)

A special timetable of Home works and extra activities will be shared per week so that every area is covered well in Primary and secondary.

We are aiming at giving quality services to all MMSC stake holders, therefore we are shall make sure before end of year exams, all learners have cleared their fees because no exams will be given by teachers after report cards have been issued unless some unavoidable circumstances like sickness, accidents etc

Learners of stage 6, stage 10 (IGCSE), Stage 11(AS) and Stage 12 (A-LEVEL) doing exams in October/November, please, firstly inform and register internally through the school DOS because Cambridge online registration is due early July 2023.**REMEMBER TO PAY EXAM FEES ON TIME TOO.**

Checkpoints dates for 2023/2024 will be communicated and agreed upon during the stage 6 parents meeting in September. We shall either do in **APRIL OR OCTOBER 2024** setting.

**NOTE:**

1. Learners who will miss term 3 exams will have to wait until new entry examinations for new students to do their exams.
2. The new academic year will begin on 11<sup>th</sup> September 2023 at 7:30am to 4:30pm
  - From 28<sup>th</sup> August 2023 to 1<sup>st</sup> September 2023, parents should have cleared school fees and picking up scholastic materials with new uniforms from school from 8:00am to 4:00pm.
  - From 4<sup>th</sup> September 2023 to 8<sup>th</sup> September 2023, we shall have Entry Exams for all new learners joining MMSC and all staff refresher trainings from 8:00am to 4:00pm.
  - This year has been challenging for our parents and AS learners who stayed at home after **AS CAMBRIDGE EXAMINATIONS**, this is totally wrong. A-LEVEL Classes automatically resume/start after AS to enable us complete the **ADVANCED LEVEL** program on time. This should never happen again or the school will take further necessary measures. **(parents must join us in our stage 11 & 12 school and parents meeting on 29th September to learn more about our system of operation to avoid miscommunication )**
3. In the new academic year 2023/2024, during all end of term examinations, classes will always end at 1:00pm and all learners will go home to enable teachers to mark so that we can save time too.

**We look forward to your continued support and cooperation.**

**THANK YOU SO MUCH**
